

United Safety Solutions 2020 MSHA New Miner & Refresher Public & Sponsored Class Schedule

Pre-Registration & Pre-Payment Required

This ensures we have adequate space and food for a fantastic training event!

Public classes - send registration and payment to:

United Safety Solutions
826 Bloom Rd, Eagle River, WI 54521

Payment is simple... we accept cash, check, credit, debit or Paypal payments, just call 715-337-2722 or go to our website to register and pay www.unitedsafetysolutions.com

***Sponsored by Classes:** *Call the number given for cost, registration and class information.*

- **IMPORTANT:** Mine Operators- Independent contractors going on an MSHA site are required to have an MSHA Training Plan and Part 46 or 48 training certificates. Without the MSHA Training Plan, MSHA does not consider the training certificate valid. MSHA has asked us to keep a copy of those training plans as well.
- If you would like to add a private class for your company, give us a call, and we will set that up for you, or join one of the classes listed.
- Private classes are not listed on this printout - to see a private class schedule, go to our website www.unitedsafetysolutions.com Click "Training Options > Class Calendar". Please check our website calendar, as new classes are added often.
- On our website you will see our online Learning Management System (LMS): Offering Refresher and New Miner for both Part 46 & Part 48 as well as CE credit information.
- Any price increases on public classes are due to location increases.
- To be included in this listing next year, your class dates must be set no later than 10/1/2020.

Classes will not be canceled by United Safety Solutions

United Safety Solutions offers more than MSHA training.

Check out our website for all your safety and compliance needs in OSHA, DOT, and Agriculture!

- Consulting
- Assessments, Audits
- Your SDS Solution
- Virtual Safety Department
- Program & Policy Development
